

STAY TUNED

The future of the Indiana banking community relies on its current leadership structure and the industry's collective ability to develop young leaders for future success. It is with this vision that the IBA created the Future Leadership Division in support of the next generation of industry leaders.

GET IN TOUCH

Future Leadership Division

The Indiana Bankers Association Future Leadership Division represents the IBA's commitment to the future of banking by cultivating emerging professionals within the industry through networking, volunteer and educational opportunities. The FLD operates under the direction of an advisory board of banking leaders from across Indiana, and with support from IBA staff. Additionally, the FLD has a direct voice on the IBA board of directors, with the FLD president serving as an IBA board member.

The FLD offers multiple opportunities for bankers eager to broaden their scope and deepen their ties to the banking community. Activities include the FLD Day at the Statehouse, engagement with peers at regional networking meetings and this FLD Leadership Conference. The FLD is also a proud supporter of Indiana BANKPAC, raising funds through the silent auction at the IBA Annual Convention and the sale of mulligans at IBA golf outings.

The FLD currently is seeking new members. Membership is free to all employees of IBA-member banks, and associate members also are eligible for membership. For more information, please contact Josh Myers at the IBA, 317/333-7165 or jmyers@indiana.bank.
